

DART Presentations at PittCon 2009

Sunday

Title: Screening of Cocaine and its Metabolites in Human Urine Samples by Direct Analysis in Real Time Source Coupled to Time-of-Flight Mass Spectrometry After On-Line Preconcentration Utilizing Microextraction by Packed Sorbent

Name: Mohamed Abdel-Rehim **Affiliation:** AstraZeneca

Date / Time: Sunday - Afternoon

Location: S100bc (Grand Ballroom) **Type:** Sunday Poster

Title: Moving the Bullseye: Current Status of the Direct Analysis in Real-Time Ion Source

Name: Robert Cody **Affiliation:** JEOL USA, Inc.

Date / Time: Sunday - 2:50 PM

Location: S402a **Type:** Symposia

Title: Flowing Atmospheric-Pressure Afterglow for Ambient MS

Name: Steven Ray **Affiliation:** Indiana University

Date / Time: Sunday - 3:25 PM

Location: S402a **Type:** Symposia

Title: Characterization and Identification of Tetramethylene Diperoxide Dicarbamide by Mass Spectrometry

Name: Alvaro Peña-Quevedo **Affiliation:** UPR-Mayaguez

Date / Time: Sunday - 3:35 PM

Location: S404d **Type:** Oral

Monday

Title: Mass Spectrometry Analysis of Dibenzoyl Peroxide

Name: Alvaro Peña-Quevedo **Affiliation:** CCSD UPR - Mayagüez

Date / Time: Monday - 3:05 PM

Location: S505a **Type:** Oral

Tuesday

Title: A New Method for Improving Formula ID of Unknowns in Food Analysis Using DART

Name: Donald Kuehl **Affiliation:** Cerno Bioscience

Date / Time: Tuesday - 8:30 AM
Location: S504bc **Type:** Oral

Title: Quantification of Small Molecules in Biological Fluid with a Novel System, Direct Analysis in Real Time Tandem Mass Spectrometry (DART/MS/MS), without Sample Preparation and HPLC Separation

Name: Yeping Zhao **Affiliation:** Roche Palo Alto, LLC
Date / Time: Tuesday - 8:50 AM
Location: S504bc **Type:** Oral

Title: Automated Compensation for Interferences in DART

Name: Donald Kuehl **Affiliation:** Cerno Bioscience
Date / Time: Tuesday - 9:10 AM
Location: S504bc **Type:** Oral

Title: The Nanoliter Wave II Syringe

Name: Drew Sauter **Affiliation:** Nanoliter, LLC
Date / Time: Tuesday - 2:30 PM
Location: S503b **Type:** New Product Forum

Title: Rapid Determination of Impurities utilizing Direct Analysis in Real Time (DART) Mass Spectrometry with Activated Surfaces

Name: Brian Musselman **Affiliation:** IonSense, Inc.
Date / Time: Tuesday - 4:05 PM
Location: S404d **Type:** Organized Contributed Session

Wednesday

Title: Looking Past the Decimal Point: Identifying Unknowns in High-Resolution Mass Spectra of Materials and Mixtures

Name: Robert Cody **Affiliation:** JEOL USA, Inc.
Date / Time: Wednesday - 3:45 PM
Location: S402b **Type:** Organized Contributed Session
